

Coach Huff's Viking Hoop Camp

Viking Hoop Camp is an opportunity for boys and girls in grades 3-8 to learn the fundamentals of basketball and apply them to team play. This will be the sixth year that Coach Huff has run the camp at Voyager, but he has more than 30 years of experience in directing basketball camps. Former Viking players serve as the coaches along with Coach Huff.

Viking Hoop Camp is open to both Voyager and non-Voyager students in grades 3-8. Two great weeks are available, with two sessions per day. Campers may come for morning and/or afternoon sessions each week.
